Dear Sir:

Responsive to the Notice of Non-Compliant Amendment dated August 29, 2006, Applicant hereby withdraws the Non-Compliant Amendment dated March 13th 2006 and herewith submits a fresh Amendment attached hereto.

In that fresh amendment new Claims 24 to 29 are no longer presented and in the fresh amendment original Claims 1 to 10 have been amended.

Claim 1 includes all of the same elements of the greenhouse which were previously included and further elements have been added so as to more clearly distinguish from the prior art as explained in the amendment. Claim 1 remains directed to the same invention as elected in the Response filed 15th November 2004. This must be so since features have been added to Claim 1 and NONE have been SUBTRACTED.

Amended Claim 1 is directed to the same invention as original
Claim 1 and does NOT therefore present a new invention which is independent
and distinct from the invention of Claim 1 previously presented.

Respectfully submitted
